Please State When Ordering If You Desire Artificially-Dried Corn

Will quote Extra Special Prices for Carload Lots upon request

EXTRA SELECTED—FIELD CORN—RESCREENED

Extra Charge of 5c Per Bu. Will Be Made for Less Than Full Sack Lots

"COMMERCIAL GRADE"

For Ensilage, Green or Dry Fodder purposes and for Farmers' Trade who do not want to pay for the best grade of Seed Corn, we offer our "Commercial Grade" thoroughly rescreened, removing the smaller "Tip" and larger "Butt" grains and otherwise the same as our selected grade BUT NOT HAND PICKED. Tested before shipment.

EXTRA SELECTED HAND PICKED

For Farmers who make a specialty of growing Field Corn and who may desire to change, add to, or renew their planting seed stock, we recommend our "Extra Selected Hand Picked" quality, selected from crib when being shelled—thoroughly Rescreened, removing the smaller "Tip" and larger "Butt" kernels and carefully hand picked, for doing which we make an extra charge simply to cover cost. Tested before shipment.

HOUSE DRIED STOCKS

AN EXTRA CHARGE will be made of 15c (fifteen cents) per bushel to the prices quoted if our customers prefer artificially-dried corn, or the conditions next fall are such that the corn crops will require artificial drying.

AN EXTRA CHARGE of 5c per bu. will be made for less than full sack lots.

MUSK MELON

The Musk melon seed quoted will be grown especially for seed purposes by growers who do not ship any melons, and will be far superior to the low priced seed frequently offered and which is largely saved from the culls or residue crops after the best melons have been shipped to market.

An additional charge, 5c per pound, will be made for less than 5 lb. quantity of any variety.

It is mutually understood that we, The Western Seed & Irrigation Company, are to undertake to contract sufficient acreage to ordinarily produce the quantities ordered herewith, and in the event of short or unmerchantable seed crops, the merchantable seed product received from said acreage shall be applied on an equal pro rata basis in filling contract orders, after reserving sufficient stock seed for ourselves. In which event said pro rata deliveries shall be considered satisfactory, and release us from further obligations.

The above stocks are sold under the non-warranty clause adopted by the American Seed Trade Association, viz.: "We exercise GREAT care to have all seed pure and reliable, but we give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned."
